To the **Ørsta Rotary Club** and
Norwegian Reserve Officers' Association (NROF)

We would like to convey a big thank you to the Ørsta Rotary Club, it's members, and the Ørsta /Volda community for the wonderful patronage and maintenance of the late F/O J. A. Hakewill and F/Sgt F. G.Sides memorial and the plaque for the late S/Ldr N. R.Smith DFC, at Lianeset. We really appreciate your ongoing service.

We also also express gratitude towards the Norwegian Reserve Officers' Assocation (NROF) for their members honoring the fallen and laying flowers at the ceremony, which has now become a tradition each year.

This message is in memory of the late S/Ldr Neil Reginald Smith DFC, the RAAF 455 Squadron and all those whom fought and died for Norway's freedom in WWII, 1944 -1945.

Words can't embellish the suffering and sacrifice of our loved ones, but we can still honour them, by acknowledging our Anzac Day and your Constitution Day, however, wherever, in the world.

Comrades and friends together and Forever Our Legendary Father.

Thinking of you always,

From the late Neil Smith's family; Katrina Parker, Melissa Parker, Fiona and Bob Gaston, and families.
